Please note: Changes may have been made to the products since this brochure went to press. The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed responsible with the respect to the purchaser. Where the vendor or the manufacturer use symbols or numbers to description an order or the subject of an order, no rights may be derived solely from these. The illustrations may include accessories and items of optional equipment, which are not part of standard specification; colour may differ slightly from those show in the brochure, owing to the limitations of the printing process. Phone numbers and contact details may change. Please consult MCV South Africa for final details.
